Many Fine Teachers Join the Staff

This year saw a number of fine teachers join the teaching staff. Mrs. Bechler and Mr. Sacherski started their teaching careers in the junior high, while Mr. Brown, Miss Fosbender, Miss Marshall, and Mrs. Russel began their first year in the elementary school.

The high school teachers continued their fine work with the 9-weeks mini-course curriculum, allowing students more flexibility in their education.

An ambitious and energetic faculty, such as ours, that strives to improve their methods and offerings are teachers for which we can be thankful.

Spirit is the key to all the Wildcat victories. The fans, with the enthusiastic cheerleaders, proved this fact. The spirit of PHS this year was fantastic, as were the teams. I'm sure they're as proud of us as we are of them.

JUST A GUARD

I'm just one of the 19 players of this very special team. What's special about this team is that it has pride in itself. We're not very big or all that fast, but we have the pride, the pride in winning and not defeat, for this team doesn't want to go down as just one team that played at PHS but a championship team, a team with an 8-0 record. We need you, the fans to help us win tonight, and we hope that you have pride in us as we have pride for our team and our school.

- Just a Guard

The Story Goes . . .

PITTSFORD 34 - JONESVILLE 0: The cats kicked off to open their 1972 season with Bill Bavin leading the assault. Defense yielded only two first downs the entire game.

PITTSFORD 36 - TEKONSHA 2: With six touchdowns called back, the Wildcats still thoroughly stomped the Indians. The Indians' only points came on a safety.

PITTSFORD 8 - READING 6: Reading jumped off to an early lead in the first quarter. The extra point failed. Pittsford fought back and regained the lead and victory in the fourth quarter.

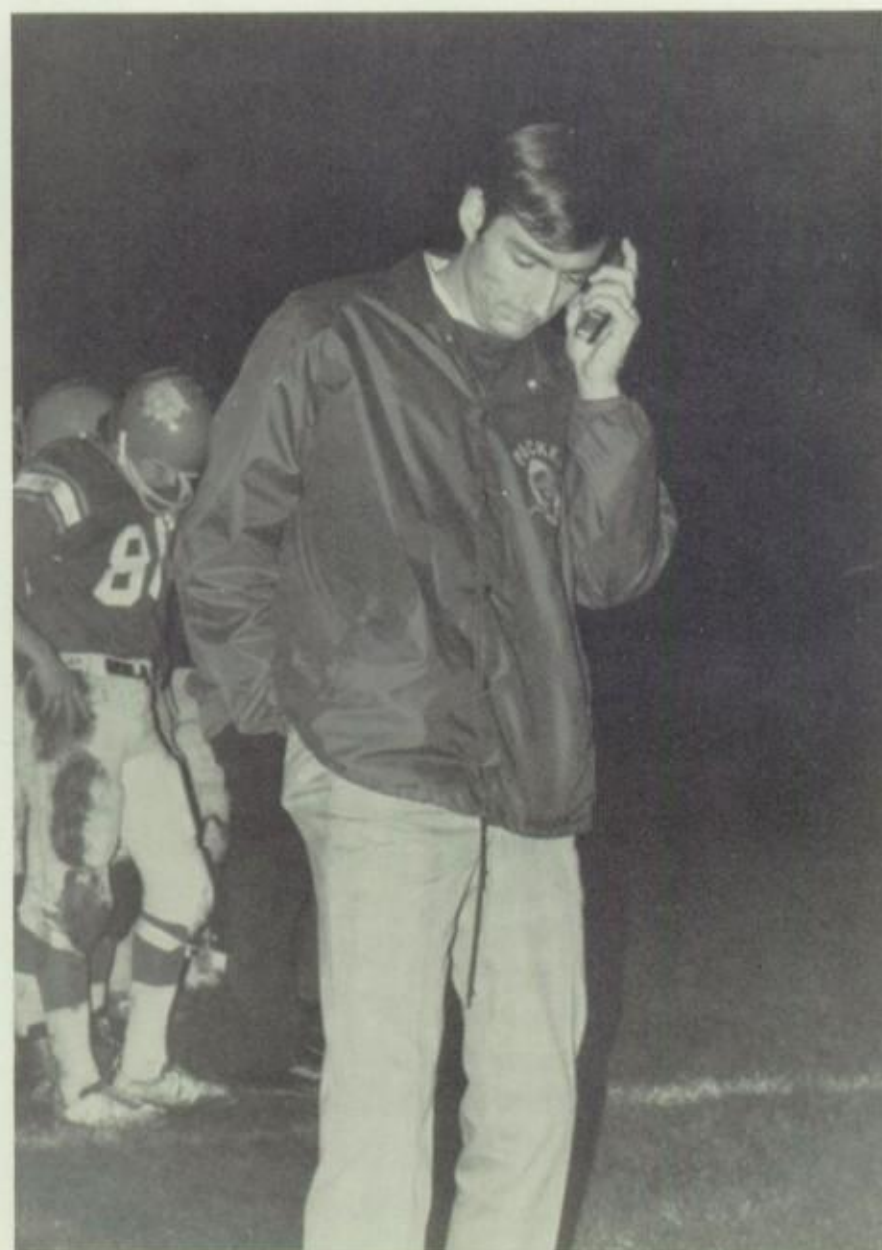

PITTSFORD 34 - CAMDEN 0: The first touchdown came early in the first quarter on a 20-yard pass from Hinkley to Gendron. Smith added another, going 44 yards in the second half leaving us an unmarred 4-0 record.

PITTSFORD 28 - HANOVER 26: Pittsford had to come from behind as Hanover led at halftime 14-0. But coach pulled some "oldy moldies" out of his bag of tricks. The highlight of the game was when defensive halfback Rod Scholfield drilled a would-be receiver just as the ball hit his hands in the end zone, causing him to drop the ball, in the last quarter, giving us the final edge.

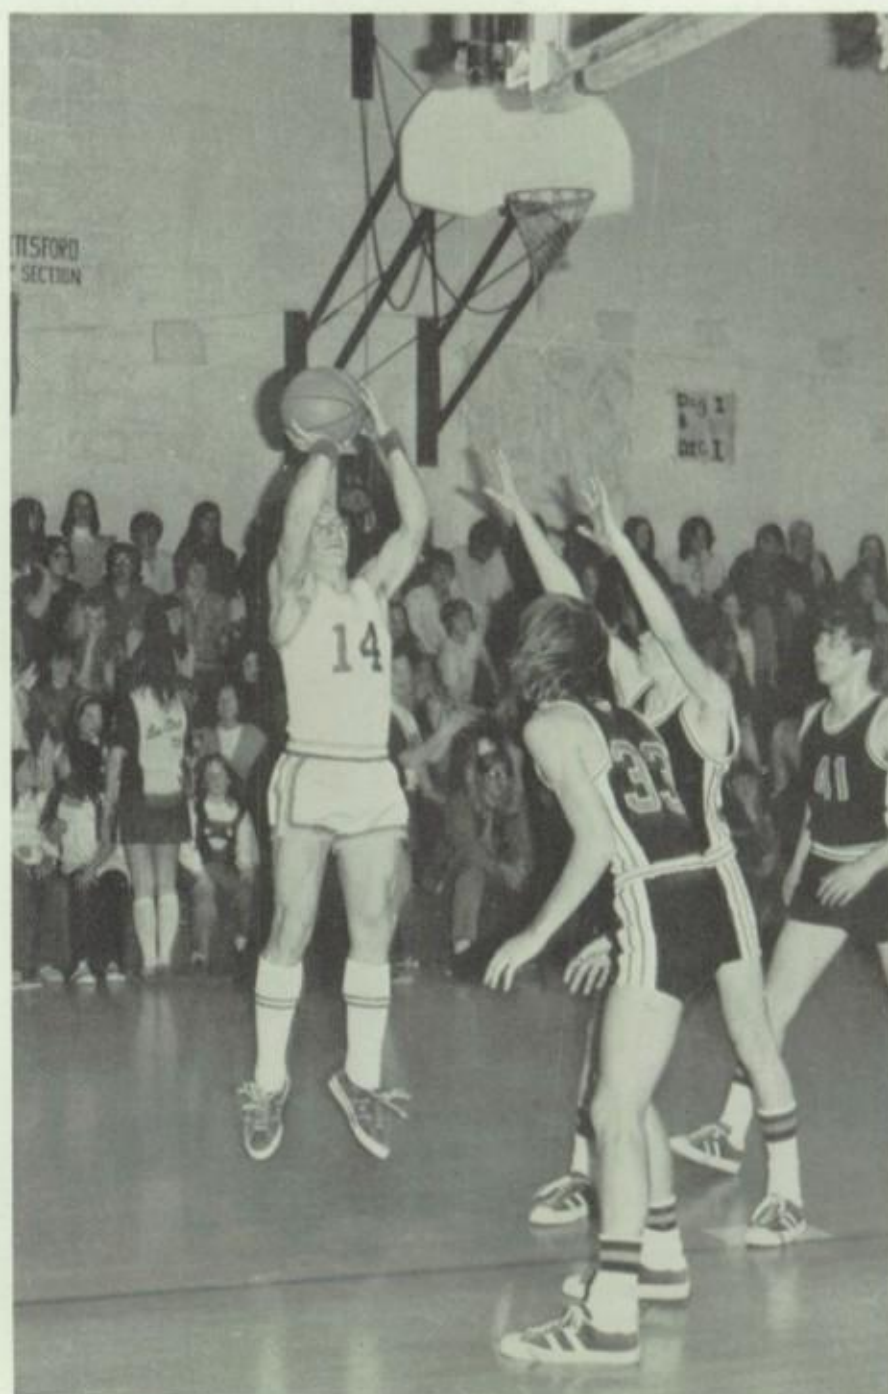

PITTSFORD 7 - LITCHFIELD 21: We came from behind again. Bavin put the game out of reach for the Terriers by making the score 21-7 with 1:55 left.

PITTSFORD 6 - NORTH ADAMS 18: A dismal night in weather and mentally for the Cats as they scored only once against a tough North Adams team.

PITTSFORD 36 - WALDRON 14: Our team grabbed their share of the SCAA title by romping over the Spartans. Coach had much praise for our defense who "did a heck of a job."

Fall For You

"Have We Got A Fall For You" was the theme chosen for Pittsford's 1972 Homecoming. The festivities were kicked off Thursday with a snake dance through Pittsford.

Friday evening, October 6th, Pittsford met the Camden - Frontier Redskins on the Wildcat football field for an exciting game. During halftime, floats built and designed by the classes paraded with the band and Queens. The highlight of the evening was the crowning of Susan Draper 1972 Homecoming Queen by football co-captains, Bob Hoard and Ron Scholfield.
